BY REVIEW LEASED WIRE

NEW YORK, Aug. 24.—Professionals became restive today at a continued delay in the railroad conference and their selling side further inroads upon recent gains, although most of the net losses were nominal. Trading fell far below the huge totals of the early week and was characterized by a succession of moderate advances and declines.

Coppers alone manifested general improvement, those issues, with zinc, recording gains of 1 to 2 cents with a new high record for spiration at 56 1/2. Mexicans, Sags and a few obscure specialties which gave their impetus from munitions, registered small advances.

Railroads as a group were steady when a reactionary.

United States Steel and minor industrial fluctuated within narrow limits, steel at no time coming within range of its high record, established on the previous day, and closing 97 3/8, a fractional net loss. Its contribution to the day's business aggregated about 130,000 shares. Mutations and the war group in general were irregular on relatively small offerings and motors were far less prominent than usual with little speculative interest in equipments.

Total sales amounted to 770,000 shares.

Bonds were irregular with total sales, per value, \$2,570,000.

United States and Panama 3's declined 3/4 percent and United States coupon 4's advanced 3/4 percent on ill.

GRAIN MARKETS.

CHICAGO, Aug. 24.—Ignoring the bluish news a natural reaction sent heat prices down 1/4 to 3/4 c. today, corn closed 1/4 lower to 1/2 at 1/4 higher. Oats a shade to 1/2 up. Pork closed 35 lower to 1/2 higher. All yesterday professional traders looked for a reaction from high price but rice closed comparatively steady. Today watchful waiting was resumed. Rice held firm for an hour and then began to work lower. Thereafter the story was simple. Higher cables bad, rop news, an advance at Rosario and other news ignored. December dropped 3/4 from the top and at the close was 3-8 to 5-8 over the bottom. The feature in the corn pit was the buying by local professionals who took their options early and sold later. There was a good demand for export.

The feature of the provisions trade was the demand for lard which was wanted for foreign account. September pork sold off 35c. Lard advanced 1/4 a 10c and ribs closed 2 1/2 lower to 2 1/2 higher.

BOSTON, Aug. 24.—There was more snap to the Boston market today than for months. The market is fast broadening out and the coppers are becoming more in favor each day. But Butte was the feature today, advancing 1 1/2 points on very large buying. Would buy the coppers. We're in a big bull market and they will surely sell very much higher. Johawk, Inspiration, Copper Range, East Butte, Anaconda and Utah Copper will be the leaders.

The New York list sold off on realizing sales but stocks were well taken. Buy the coppers and rails.
